

# THIRUMALA PUBLIC SCHOOL

SVP NAGAR, MYSURU

Annual Report 2019-20

## THIRUMALA PUBLIC SCHOOL

THIRUMALA PUBLIC SCHOOL aims to nurture the different facets of a student as traditional passive learning is replaced to make learning fun and interesting. The STEAM WAY of learning each topic encourages scientific inquiry, explores the role of technology and math while empowering them to engineer creative innovations. The outdoor classrooms help revitalize and refocus learning that has become a routine indoors. Being outside a classroom brings cheer, helps them relax, and be focused as the concept is deeply embedded in them. No bag day focuses on creating experiences of learning with joy through various creative and critical thinking activities among the students. The library provides the students an opportunity for learning beyond textbooks by conducting various activities such as book fairs, interaction with authors, storytelling sessions, and creative writing contests. Avid readers are honored with the 'Reader of the month'. Inspired by the country that has taught the world, the school celebrates India with a sense of pride. Our motto 'Being Indian' is at the heart of everything we do, and this builds a foundation that the child has a lot more to share with the world through Indymedia.

## Infrastructure

Library and Computer Lab - To enhance the infrastructure and facilities for the students, the school library and the computer lab were redesigned with bright, colorful decor and comfortable seating.

New Campus - It has been 10 years since Thirumala Public School has been nurturing independent and happy learners. We have embarked on the next stage of school development with an extension to our campus.

We would like to thank everyone for their support as we are committed to providing the best educational experience to our students.

**MATH LAB AND SCIENCE LAB -** To enhance the infrastructure and facilities for the students, the math lab and the science lab were redesigned with good pieces of equipment and comfortable seating.

INDOOR AND OUTDOOR:

## TPS Events

**Orientation** - The most overwhelming key to a child's success is the positive involvement of parents. The parents were addressed by the Principal of Sree Nataraja Public school, who encouraged and advised the parents to be a motivating factor for their children.

**Proud Parents Day** - It was a trip down memory lane for the parents and grandparents and a beautiful introduction to the dying art of our traditional games to the young ones. It was an endeavor to ensure children know their roots.

**Annual Sports Day** - The participants competed in various sports events like birds soaring high in the sky but at the same time staying true to the spirit of sportsmanship. The encouraging presence and the positive words of our founders, Mr. Krishna Sir, Mrs. Lathamma, our Principal set the right ambiance for this event. It was motivating to meet Sathya Sulochana ma'am, the Chief Guest for the day, and be influenced by her running achievements at Mount Everest. The enthusiastic parents took time off from their busy schedule to cheer the talented little soaring birds of TPS.

**Kite Flying** - The annual Kite Flying Festival brought Indians and their family together making it an enjoyable and memorable day for the entire family of TPS.

**Graduation Day** - It is a day of rejoicing, for it marks the conclusion of one educational journey and the commencement of another more exciting quest. It truly signifies the culmination of many years of hard work in the relentless pursuit of knowledge: one that will enable them to embrace challenges with a clear vision and purpose.

Interactive learning sessions encouraging learning by inquiry and application of knowledge.

Environment Day	The students were involved in various activities to highlight the importance of World Environment Day. It included a nature hunt, building a bird feeder, creating paper bags, and sketching illustrative posters. It ended with each one promising to do little things that would make a big difference for a greener and cleaner earth.
International Yoga Day	International Yoga Day was celebrated by students and teachers at TPS. Students demonstrated various asanas and the importance of which were explained as “Yoga is the journey of the self, through the self, to the self.”
Best out of Waste	The students showcased their artistic streak by making innovative models of art by using a wide variety of reusable and recyclable materials. Little hands and imaginative minds came together in a creative burst of energy.
Independence Day	We took pride as Indians as we celebrated India’s 73rd year of freedom. The students explored folk dances and performed in the inter-house Indian Folk Solo Dance Competition.

Hindi Divas	Hindi Divas was celebrated for the entire week as Hindi Saptah. Each program conveyed a very important and essential message depicted through the nine races - from unity to diversity, compassion to discipline, enjoying every moment of life to spending time with family away from gadgets and also contributing to a clean earth.
Kannada Rajyotsava	Students and staff of TPS were immersed in the rich traditions of Karnataka during the Rajyotsava celebration. In the spirit of keeping the culture of Karnataka alive, students enthralled the audience with a variety of performances.
Teachers' Day	The students of TPS solemnly celebrated Teachers' Day with great exuberance. The students went to great lengths to put on a scintillating cultural show that showcased their affection, respect, and appreciation towards the teachers.
Children's Day	As a part of the Children's' Day celebration, teachers of TPS pulled out all the stops to ensure that the students had a funfilled and gala time. Teachers presented a program with high spirits and organized various classroom activities.
Health Check	The school organized a medical health check-up camp for all the students. A team of doctors conducted the camp which included general physical examination, BMI, dental check-up, eye check-up. Necessary medical advice was given to students.
Gandhi Jayanthi	The school celebrated the 151 <sup>st</sup> anniversary to commemorate the birthday of Mohandas Karamchand Gandhi. Various activities emphasized the significance of the day.

Library Week	The 'Library Week' activities focused on learning, creativity and thinking. It was filled with enthusiasm and competition in its true spirit. The students of classes VI-VII eagerly participated in the 'Inter House Quiz Competition' based on Books & Authors. It was an activity conducted by the students for the students. The elocution competition based on 'My favorite Book' for students of classes IV & V allowed them to share their thoughts about the books.
Bhasha Sangam	India's richness is marked by its cultural, ethnic, and linguistic diversity. To celebrate these unique features of our country, the Bhasha Sangam initiative under the Ek Bharat Shreshtha Bharat ushered in a program for schools and educational institutions to provide multilingual exposure to students in Indian languages listed in Schedule VIII of the Constitution of India. This initiative is just the beginning of a journey meant to create interest in these languages and a curiosity to learn more.
Hobby Classes and After School Sports Teams	The world is full of wonderful, exciting activities that we can explore and adopt as our own. We believe that learning isn't meant to be confined in a box and take pride in our students' developing abilities. Hobbies and sports are important for many reasons as they bring balance to life. They provide an opportunity to release stress and recharge. We endeavor to continue to educate our students in a creative, artistic, sportive, and nurturing environment.

Field Trips	<p>Students love them. Field trips give students experiential education, outdoor education, adventure education away from their regular school environment as well as creating a bond among their classmates.</p> <p>Cricket</p> <p>Rain WaterHarvesting</p> <p>Trip to the Zoo</p> <p>Green Resort</p>
Swacch Bharat Abhiyan	<p>Students took part in the 'Swacch Bharat Abhiyan' to keep their urroundings clean.</p>

## Key Decisions – SMC- 2019-20

- Kannada for all the students of Class I and II
- Vocational IT for Class VIII

**Student Workshops** – Going beyond classroom learning and attending workshops, enrich their learning, expand their perspectives, and explore new ideas, collaborate with other students.

Creative Art session for the students of classes I-VII.

The students of classes VII and VIII participated in Behtar India, a social development campaign that helped them recall their responsibilities towards their country as young and future citizens of India.
